

**Client Menu Choices**  
**Date: April 10, 2017 to June 2, 2017**

Dear Mobile Meals of Toledo Client:

We are once again offering our clients the choice between four meals each day, Monday through Friday (**meal choices are not offered on the weekends**).

**Please note that Mobile Meals will continue to test and add new dinners to the menu with the goal of replacing most of the current frozen entrees with dinners that are cooked in our new kitchen. Occasionally however; you may be served another entrée due to availability and/or circumstances beyond our control. We hope that you enjoy the new food and have patience with us during this transition.**

**Please return your completed menu March 17th to your Mobile Meals volunteer or driver to ensure that you will receive your selections starting April 10th. Please note that any late choices received will take a few days to be processed, so try to get them in early.**

We at Mobile Meals of Toledo are very happy and excited to be able to provide this choice meal program to our clients. We will do our best to accommodate your choices. If you have any questions, please call the office at **419-255-7806**.

Sincerely,  
 The Mobile Meals Staff
