

*Whip It Up International
Student Chefs Feeding Hungry Kids in Our Community*

January 2019

Dear Community Partner:

Whip It Up International will be held on Friday, April 26 from 6-9 p.m. at the Center for Fine & Performing Arts at Owens Community College. The event is a collaboration with the Owens and Penta Culinary students who are creating international foods from nine countries.

The event is a fundraiser for our Weekender Program. Mobile Meals of Toledo's **Weekender Program™** provides food to children at eight Toledo area schools who would otherwise get inadequate nourishment over the weekend. Over 1450 students who qualify for free or reduced-cost lunches receive a bag of food to take home with them every Friday afternoon during the school year. The participating schools are Queen of Apostles and Rosary (both Central City Ministry Schools) and Garfield, Spring, Ella P. Stewart, Walbridge, Martin Luther King Jr Academy and Pickett (all TPS schools). All of the schools are located in economically challenged neighborhoods where poverty is prevalent.

What a wonderful partnership, student chefs preparing foods to raise money to feed hungry children in our community...

We would love your financial support for the event. The sponsorship opportunities are included on the attached sheet. For a very small investment, you will receive publicity for your company as well as the knowledge that you are helping to feed children in your community.

Cordially,

Carolyn
