

# Corporate Caring

## We're looking for businesses that care!

Volunteering for Mobile Meals can positively influence your business and employees, while helping those in our community who rely on nutritious home-delivered meals.

- Training at your location and on your schedule
- Meal delivery two times a month near your place of business
- Two people and a lunch hour is all it takes

**We can tailor an Employee Volunteer Program that works for your business.**

# Volunteering will have a positive impact on your business and your employees.

## Employee Retention

Creating a workplace that allows employees to find pride in both the company they work for and the work they do helps to keep them on the payroll.

## Employee Recruitment

Volunteer programs can increase the attraction of a business for potential employees. It can also help to keep these workers on the job, ensuring growth for both the company and the employee.

## Increase Employee Purpose

Employee Volunteer Programs can allow workers to feel that the work they do is not only contributing to the overall success of the company but that it is also helping a charitable organization that is important to the community.

## Skill Development

Many experts agree that volunteering is beneficial to developing leadership skills. Employees can gain skills in communication and problem-solving while simultaneously learning to be a team player.
