

There's no place like home. mobilemeals

For many seniors and others in need, there is no guarantee that they will be able to stay in the homes they love due to the impacts of aging and other health concerns. Once-simple tasks, such as shopping, cooking, getting out and about, are challenging and threaten their ability to live independently. **That's when a visit from Mobile Meals of Toledo makes all the difference.**

Mobile Meals knocks on hundreds of doors in the Toledo area, bringing a meal, a watchful eye, and a smile that keeps people safe at home. People like Marla...

Marla has lived in her west Toledo home since 1967. It is filled with loving memories of raising a family. She's seen the neighborhood grow and change, and watched people come and go, yet Marla has no intention of leaving her community. She says, "As long as I can do for myself and have a good mind, I will be here."

Her independent spirit guides her life, and with Mobile Meals' help, she won't let anything get in the way of that. She just needs a little extra assistance.

Thankfully, the visits from Mobile Meals give her the support she needs to continue to age independently in her home.

IS HERE TO HELP OUR
COMMUNITY

GIVING TUESDAY

November 29, 2022

From the Desk of Maureen Stevens

Executive Director of Mobile Meals

Dear Friends,

I am feeling thankful.

I'm thankful...that Mobile Meals made it through the worst of the pandemic with no disruption to our service. While we had to adapt to fewer available volunteers and a substantial increase in people needing our service, we quickly changed our delivery model. We continued to provide meals and wellness checks without skipping a beat.

I'm thankful...that, over the past two years, our employees have continued to provide great food and fantastic customer service. Even during COVID, everyone stepped up during this crazy time to ensure we always met our client's needs.

I'm thankful...that so many of you recognized our need for financial support when we could not hold our in-person fundraisers. You responded to our various appeals throughout the year, and we were blown away by the amount of individual and corporate responses we received from our **TOLEDO FOR MEALS** awareness campaign. We are blessed to live in such a generous community and forever grateful to everyone who donated.

I'm thankful...that Mobile Meals has always been fiscally responsible with the funds we receive, which is why I am not hesitating to ask for your support again. **Soaring costs have hit everyone; for many people in this community, choosing between purchasing food or filling a prescription is commonplace.** Mobile Meals of Toledo helps ease that burden by subsidizing the cost of food for those who need it, and right now, many people need it. **Our subsidies currently top over \$12,000 per month. Your support now will help ensure that those who need our help will have enough to eat.**

If you have much to be thankful for this year, like me, consider helping us meet this subsidy need. Your donation will ensure someone in our community doesn't have to choose between buying medicine or eating a meal.

Happy Thanksgiving!

Maureen Stevens
Executive Director, Mobile Meals of Toledo

mobilemeals

Mobile Meals of Toledo is a nonprofit agency that delivers food to those whose nutritional needs might otherwise go unmet.

GivingTuesday inspires hundreds of millions of people to give, collaborate, and celebrate generosity.

When you donate to Mobile Meals, you're supporting a local program that is **MORE THAN A MEAL**. Our volunteers make sure all our clients receive food, compassion, and care.

This year, we continue to look for the financial support we depend on to continue our mission.

Would you consider donating to our nonprofit organization online or by mail on or before GivingTuesday?

Thank you.

Our Valuable Volunteers

I started in my new position as Volunteer Coordinator last year, and it didn't take long to realize how driven and passionate our group of volunteers are. I firmly believe if you find a collection of dedicated volunteers, there's very little you can't get done. I know that if I email or call a Mobile Meals volunteer with a "please," I never worry about finding a "yes." **It's rare to find such a gold mine of truly determined people.**

At Mobile Meals, we currently have over 250 volunteers. They help at events, stuff envelopes in our office, and drive all over this area to deliver meals to our clients. They are always willing to work a last-minute shift in the kitchen, substitute for another volunteer, or make weekly phone calls to check up on our clients.

In my short time here, I have witnessed no shortage of volunteers going above and beyond. Every week, during call-outs, we have several volunteers who will take the time to talk with clients that require a little extra attention. Sometimes these weekly calls will stretch over an hour in length. **Our volunteers know that some of our**

clients do not have a family, and a pleasant, caring conversation can make all the difference.

We also have volunteers who go the extra mile by carefully assessing anything that may seem "out of the ordinary" while making meal deliveries. In cases where the client isn't feeling well or acting unusual, they try to identify the problem and immediately notify our office so we can take appropriate action. **Sometimes, a volunteer's watchful eye can make the difference between life and death.**

Working with people who care about our clients is a dream and arguably the best part of my job. A very heartfelt thank you to everyone who volunteers, to everyone who has offered their hand to us, and to everyone who helps our mission in any way.

Together, there is nothing we can't do.

From Our Kitchen

Did you know that the **Mobile Meals of Toledo kitchen** prepares from scratch meals daily for our clients, which includes four fresh lunches each week? **We are constantly testing and developing new and improved recipes to deliver the most nutritional and tasty meals possible.** This fall, we introduced some new menu options, and we're offering a breakfast choice on our dinner menu for the very first time. We appreciate all the helpful feedback we receive from our clients -- they inspire us.

Our meals are an important part of remaining independent and healthy eating can improve cognition and overall health, making it easier to manage day-to-day living.

The kitchen was excited to participate in this year's reimagined **Sip, Sip HOORAY! Wine Gala.** Our kitchen team was a selected food vendor at the event for the first time. We received fantastic feedback and enjoyed meeting all the guests and Mobile Meals' supporters.

The kitchen is seeing some changes as we transition into 2023. Our Kitchen Director, Karen Schlegel, will retire at the end of this year. We thank Karen for her years of service and dedication. She has been an essential component of our success.

The menus are developed by our team of registered diet technicians and cooks, then approved by a licensed dietitian.

Our kitchen is located in Mercy College on Jefferson Avenue.

Another long-time staff member Judy Walker will also retire at the end of this year after 15 years of service; we thank her for her commitment and wish her the best.

Our current team looks forward to continuing to serve this community. **We hope to expand our meals program to reach even MORE people who could benefit from Mobile Meals of Toledo.**

A Different Kind of Fundraiser Takes Toledo and Surrounding Areas By Storm.

In May of 2022, we launched **TOLEDO FOR MEALS**, a fundraiser and an awareness campaign to help Mobile Meals navigate rising food costs, supply chain issues, and increasing gas prices. We had billboards and television commercials promoting this campaign all summer long.

Thanks to individual donations and corporate sponsorships, **TOLEDO FOR MEALS** raised over \$25,000 for our home-delivered meal service, which keeps people healthy, safe, and in their own homes.

Although we didn't reach our projected fundraising goal, proceeds from **TOLEDO FOR MEALS** helped offset the fundraising deficit from our Chili Cook-Off event, which was canceled again this year due to COVID.

Thanks to everyone who participated by making a donation or becoming a corporate partner. Our clients really appreciate your support.

Help put food on the table for someone in need every time you shop at Kroger.

You can help support the efforts of **Mobile Meals** every time you buy groceries at Kroger using your **Kroger Plus Shopper's Card**. Enrollment is **simple** and **free**.

(Adding Mobile Meals to your Kroger Card will NOT affect your gas points.)
