2026 Sponsorship Opportunities

Our Mission

To help clients remain independent and enhance their quality of life by delivering nutritious meals.

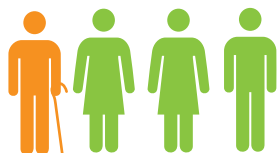

Mobile Meals of Toledo ensures that seniors have access to nutritious meals that not only prevent hunger but also enhance their overall well-being, boost energy levels, and improve mental clarity. Additionally, providing regular safety checks in their homes is a vital measure to ensure their safety and health. These assessments can identify potential hazards, providing a secure living environment.

One in every 6 seniors is currently experiencing food insecurity, highlighting the urgent need for affordable and accessible nutrition services that can effectively support their health and promote independence. Ensuring that no senior goes hungry or feels forgotten is our primary mission.

In 2025, we prepared 249,340 meals - over 38,000 more than in 2024 (18% increase).

To meet the growing demand and expand our services, Mobile Meals will need to purchase five new delivery vehicles over the next two years. We are looking to our community partners for support to make this happen.

MEALS FOR MOM DINNERS FOR DAD

On Mother's Day and Father's Day, many moms and dads in our community find themselves alone, homebound, and isolated, patiently waiting for a volunteer to arrive with a smile and a nutritious meal.

We invite you to join us in honoring all moms, dads, and those who have influenced and supported us — whether in our lives, our hearts, or our community — by becoming a sponsor. Together, we can make a difference for our clients, especially those who may not have a family to celebrate these important holidays with, showing them they are valued and loved.

For a donation of just \$15, participants will receive a framed print of their pet posed with Santa, capturing a treasured moment for years to come. In addition to pets, Santa is always delighted to take photos with children, spreading holiday cheer as he listens to their wishes for the season.
