

MAKE A DIFFERENCE BY ADDING MOBILE MEALS TO YOUR SHOPPING LIST

Mobile Meals of Toledo, in partnership with The Ability Center, serves as a Durable Medical Equipment (DME) and Incontinence Supply Hub. We deliver essential mobility tools and hygiene supplies directly and discreetly to seniors throughout Lucas County.

You can help us maintain a steady supply of essential items by purchasing or donating DME (Durable Medical Equipment) and adult incontinence supplies. Items can be obtained from local grocery stores/pharmacies or purchased through our **DME Amazon Wish List**. Every contribution strengthens our mission while supporting local seniors.

Donations may be dropped off at the Mobile Meals office, Monday through Friday, between 8:30 am and 4:30 pm. If you order through the DME Amazon Wish List, your donation will be delivered directly to us.
